PALM ISLAND ABORIGINAL CULTURAL HERITAGE AREA

See "Aboriginal Cultural Heritage Act 2003" Part 5 Div 2
LOCATION:- 146° 39’ 25” -18° 45’ 30”
Part of Lot 38 on Plan CWL3324
Palm Island Aboriginal Shire

SIGNIFICANCE OF REGISTERED AREA
The study area contains cultural and natural resources that are significant to the Manbarra Traditional Owners as a definite and tangible link to traditional and more recent aspects of their heritage. The area contains artefact scatters, shell middens, scarred trees and a dugout canoe. The sites all indicate a high degree of intactness and interconnectedness.
